

BOLT COFFEE AEROPRESS RECIPE

you need

- *Aeropress*
 - *paper filter*
 - *filter cap*
 - *stirrer*
 - *mug*
 - *tea- or
tablespoon*
 - *timer*

 - *Bolt Coffee
just finer than
filter grind*
- total
brew time
1:30

without scale

- *Set plunger just above '3' & flip to stand inverted.*
- *Place paper filter in cap, rinse with hot water, & set aside.*
- *Add 3.5tsp or 2.5tbsp of coffee to the brew chamber.*
- *Start timer, add boiling water up to '2' & stir 10 times.*
- *Add water until brew chamber is full, then secure filter cap.*
- *At 1:00, flip Aeropress onto mug & press down—
aiming for a 30s plunge.*
- *Remove Aeropress & add ~3oz of hot water to your brew!*
