

BOLT COFFEE POUR OVER RECIPE

you need

- *your favorite Pour Over style brewer*
- *filter*
- *mug/decanter*

- *timer*

- *Bolt Coffee just finer than filter grind*

total
brew time
3:30 - 3:40

with scale

- *Place filter in brewer & rinse/pre-heat with hot water.*
- *Add 22g of coffee to brewer & shake the dose flat.*
- *Bloom: Start timer & add 50g of water. (enough to fully saturate grounds)*
- *Wait 45 seconds.*
- *0:45 Pour #1: Add 75g of water—start in the center of the brew bed & work your way out in concentric circles.*
- *1:30 Pour #2: Repeat the above.*
- *2:15 Pour #3: Repeat the above.*
- *3:00 Pour #4: add final 75g & gently swirl brewer to create a flat brew bed for water to evenly pass through.*
